Subject: Multi-Victim Staffing Request #57 Right to

Good morning,
Christian Brown has requested that I set up a multi-victim staffing for suspect #57 Right with the Mercer Island School District and other relevant community partners to discuss options for community notification in the hope of identifying additional victims.

I have the contact information for the Compliance Director for Mercer Island School District, but I wanted to reach out to you and see if you had the names and email addresses of other school employees I should invite to the meeting. Any information you could share would be incredibly helpful.

Thank you,
Mary
